

THE MUSIC WE MAKE

Bicester Choral and Operatic Society (known as BCOS) is a charitable body dedicated to the presentation and production of quality concerts and shows for and to the people of Bicester and surrounding villages. We combine both choral and operatic traditions and produce an interesting and varied programme through the year that should suit most musical tastes.

We have performed most of the well known classical choral works by composers through the centuries. We are fortunate to present these in the wonderful acoustics of Bicester's Roman Catholic Church.

We have produced most of Gilbert & Sullivan's works, many popular European operettas and most of the favourite American and 20th century musicals. Popular modern works are well received by our audience but they demand high royalties. As a result we perform a mixture of G&S, opera, and musicals; this keeps the repertoire varied, which our members enjoy, and keeps costs down.

We employ a professional musical director and talented accompanist. The society is run by an enthusiastic & dedicated committee. Accounts are audited and submitted to Charity Commissioners.

We can only continue to encourage talent and provide live music & entertainment through the dedication of our members and the support of friends, patrons, and sponsors.

By taking this leaflet we hope that you will want to support us as a Patron or a Sponsor and so continue to enjoy & promote the music we make.

MUSICAL EVENTS

- Spring** Our major choral work, usually with a full orchestra, performed at The Immaculate Conception Roman Catholic Church in Bicester.
- Summer** A selection of light music from shows past and present, chorus and solos by society members, performed at various sites in or around Bicester.
- Autumn** Our major production, a week long stage show with full orchestra, presented in Bicester Community College.
- Winter** A series of Christmas concerts and carols in various locations.

REHEARSALS

BCOS meets at 7.30pm on Wednesday evenings at St. Mary's School in Bicester. Rehearsals last two hours with a break for a drink, a chance to chat with friends & gentle fund raising. Local hostelrys often house the post-rehearsal meeting!

SOCIAL EVENTS

As well as our rehearsals and performances BCOS enjoys a number of purely social events throughout the year. We also provide occasional choirs for weddings and charitable concerts.

AUDITIONS

All voices are welcome. New members have a voice trial to place them in the correct section. Specific auditions are held for solo or principal roles in concert and shows.
